PRESS STATEMENT

WE WELCOME "OCCUPY JESUS WINNERS MINISTRY"

We would like to express our **support** for the "Occupy Jesus Winners Ministry" protests that occurred today at the **Jesus Winners Ministry Church** in Roysambu, in opposition to President William Ruto's Sh20 million contribution to the church.

Why would a President incessantly donate millions to churches while countless youth remain unemployed? The Ruto administration ought to prioritize the **fight against corruption, improve healthcare (Taifa Care/ SHA), combat insecurity, and enhance the living conditions** of Kenyans.

We encourage Kenyans of good will to **organize peaceful demonstrations at all churches that will accept donations from Ruto**. Kenyans have had enough of a President whose main obsession is building Churches.

Sincerely,

Harrison Mumia
