# PRESS STATEMENT

## WE WILL FILE A COMPLAINT AGAINST NENO EVANGELISM

We support Homa Bay Town MP Peter Kaluma in urging that action be taken against Apostle James Ng'ang'a of Neno Evangelism in relation to a “slapping” incident that took place during a prayer service at his church.

The Atheists In Kenya Society intends to submit a formal complaint to the Registrar of Societies concerning Neno Evangelism ministries. It is unacceptable for religious leaders to physically assault members of their congregation without facing consequences.

We encourage anyone who has information about the assaulted congregant to contact us as soon as possible via 0799 919 666.

Sincerely,

Harrison Mumia  
President, Atheists In Kenya Society
