# PRESS STATEMENT

## THE NATIONAL PRAYER BREAKFAST SHOULD BE ABOLISHED

Today, millions of taxpayers' money will be wasted on the National Prayer Breakfast. This year's Prayer Breakfast will take place at the Safari Park Hotel in Nairobi. This event, organized by Parliament, is **unnecessary and ostensibly without priority**. The National Prayer Breakfast is not a constitutional responsibility to the Kenyan people.

I participated in last year's National Prayer Breakfast and observed the extravagant nature of the event. It is our position that the National Prayer Breakfast should be **abolished**.

All Government spending must provide a necessary public service and serve a clear national interest. Kenyans deserve a Government that is meticulous at avoiding wasteful and unnecessary spending.

Sincerely,
