## WE DEMAND THE ARREST OF PROPHET OWUOR

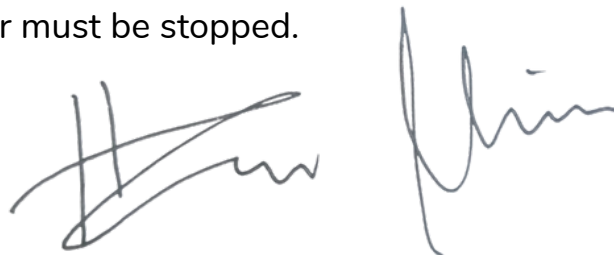

The Atheists In Kenya Society is demanding the arrest of Prophet Owuor.  
Prophet Owuor is a dangerous cult leader.

His **Ministry of Repentance and Holiness** is wreaking havoc on lives, damaging relationships, and inflicting emotional distress on its adherents.

By utilizing meticulously constructed non-falsifiable claims, Prophet Owuor has crafted a public image as a savior sent to redeem humankind. His followers genuinely believe that he is a Prophet of God. Prophet Owuor is a mere mortal.

In 1978, Jim Jones, a self-proclaimed “messiah” of the People’s Temple, directed the members of his cult to drink cyanide-laced punch, resulting in the death of over 900 people. Prophet Owuor must be stopped.

Sincerely,

**Harrison Mumia**  
**President, Atheists In Kenya Society**
